Fit and proper checks

The licensing minimum standards require you to ensure that your new directors, senior managers and key personnel are fit and proper. Please confirm that you have carried out the checks and searches below in respect of each new appointment:

Name of new director/senior manager/key personnel	Ministry of Justice criminal record check	Disqualified director search	Insolvency register search	Debt Repayment order search	Were any issues or discrepancies identified in any of these searches?
---	---	------------------------------	----------------------------	-----------------------------	---

Other fit and proper searches conducted (eg. If director etc is not resident in New Zealand)

Name of new director/senior manager/key personnel	Detail of any other searches that have been conducted	Were any issues or discrepancies identified in any of these searches?
---	---	---

If any issues or discrepancies were identified in any of the searches above, please provide the FMA with a copy of those search results.

If any of the appointment changes result in a material change provide a separate explanation and attach to the notification.

Note that you will need to obtain the consent of the new appointee before providing the FMA with a copy of their Ministry of Justice criminal record check.

I confirm that we have followed our internal policies and processes and maintain the fit and proper standards for licensing.
