Request for information –

Dear

- 1. Thank you for your requests for information under the Official Information Act in your letter dated 31 January 2024.
- 2. We have granted your request. Please find the requested information in the Schedule below, which follows the format set out in your letter.
- 3. Please note where your requests are specific to investigations, we have only provided figures for formal investigations (ie where the matter was referred to our investigations team). Where your requests are not limited to investigations, we have provided figures for both investigations and inquiries (ie where the matter was managed by a frontline team).
- 4. We note this distinction because not all FMA enforcement responses arise from investigations. Many of our enforcement responses (in the form of public or private warnings) arise from inquiries without an investigation – hence why the number of enforcement responses are greater than the number of investigations.
- 5. Where relevant, we have also included comments in footnotes to explain or contextualise the figures.

6. Please let us know if you have any questions. You also have the right to make a complaint to the Office of the Ombudsman in respect of this decision. You can find details on how to make a complaint on the Ombudsman's website at https://www.ombudsman.parliament.nz/

Yours sincerely

Mun
